In cooperation with the Hamburg Transport Association (hvv), the Hamburg Convention Bureau provides a special offer for you and all participants using public local transport as part of your event.

The hvv KongressTicket for meetings, conventions and seminars allows participants to comfortably commute between the event location and the hotel at reasonable rates. The ticket is valid for the entire hvv service area covering tariff rings A-F. Event participants can enjoy swift travel within the city due to Hamburg's dense public transport network and the central location of hotels and venues.

The hvv KongressTicket is available for meetings, conventions and seminars with 250 or more participants. As part of this offer, event organisers are obliged to purchase tickets for all event participants for the duration of the event. The travel permission will be incorporated into the conference badge, and event organisers will be issued with a print template by our cooperation partner, S-Bahn Hamburg GmbH.

The hvv KongressTicket for meetings, conventions and seminars is available at the price of 3,24 euro per person per day (7% VAT included).
